

*We are excited to invite your company to help build its next generation of leaders by designating a rising professional from your team to attend the upcoming **NECA Future Leaders meeting**.*

This conference is a great opportunity for your organization to connect with industry innovators, invest in leadership development, and prepare to thrive in a rapidly evolving industry.

NECA Future Leaders is committed to enhancing leadership skills through **education, innovation, and collaboration**. Attendees gain:

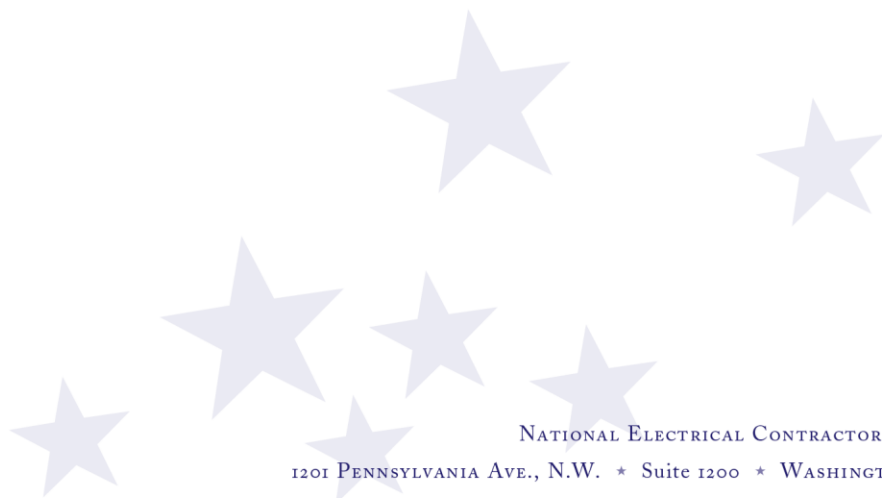

- **Networking opportunities** with peers across the electrical construction industry.
- **Professional and technical skill development**, including emotional intelligence to accelerate career growth.
- **Unrivaled access** to tours of Premier Partner facilities and contractor member shops.
- **Collaboration beyond traditional networking**, preparing professionals to become champions of change.
- A pathway to implement key ideas and education for both **personal** and **organizational growth**.

This program is designed to support and nurture the professional development of electrical construction professionals employed by NECA member companies, Chapters, or Industry Alliance Network partners. Participants are empowered to bring valuable insights back to their organizations, creating a ripple effect of innovation and growth.

We encourage you to nominate a standout professional within your company to join this dynamic group. Together, we can shape the future of the electrical contracting industry.

For more information, please contact us at **NECAFutureLeaders@necanet.org**.

We look forward to welcoming your rising leader to this transformative experience in Nashville, February 19-21, 2025.
